Public Space Design Guide

Public Space Design Guide

Acknowledgements

This Design Guide has been compiled by the Urban Design team of the London Borough of Richmond upon Thames as a reference for use by all Council Officers and others working in and around public spaces.

The draft version was trialled and amended with extensive input from colleagues across the Environment Directorate, in particular members of the Public Space Group, and other key stakeholders.

Origination, text, design and production team:

- Marc Wolfe-Cowen and Tom Butterworth – Urban Designers
- Bridget Clements (Chapter 3) – Consultation and Communications
