

# Ham and Petersham Neighbourhood Plan

---

## Addendum Sheet

My report to the London Borough of Richmond upon Thames on the Examination of the Ham and Petersham Neighbourhood Plan contained an error in the calculation of the plan period, which is intended to be 15 years from the date of adoption. On page 4 of my report I stated:

“I can also confirm that it does specify the period over which the Plan has effect namely the period from 2018 up to 2032. I will recommend that the period of the plan is added to the title of the Plan.”

I miscalculated the year when the period of 15-year period would expire if the plan was made in 2018, which should have been 2033, not 2032.

My recommendation at the end of the section “The Examination process” should have read:

**“That the title of the Plan should read Ham and Petersham Neighbourhood Plan 2018-2033”.**
