

## Local Plan Publication Consultation

From 9 June 2023 to 24 July 2023

### RESPONSE FORM

The Council is inviting comments on the Publication version of the Local Plan.

The Local Plan sets out a 15-year strategic vision, objectives and the spatial strategy. The draft Plan includes place-based strategies covering the whole borough, along with accompanying site allocations, as well as the thematic planning policies that will guide future development in the borough. It will inform how growth will be accommodated across the borough. The draft Plan seeks to address future challenges including climate change, health, affordability and liveability.

This consultation is the final opportunity to comment on the Local Plan before it is submitted to the Secretary of State for independent 'examination in public'. At this stage in the plan-making process, in accordance with the national guidance, consultation responses should focus on whether the Local Plan has been developed in compliance with the relevant legal and procedural requirements, including the duty to cooperate, and with the 'soundness' of the Plan. Further detail on these concepts is provided in the accompanying guidance notes available on the website (via the link below).

***Please note your response should provide succinctly all the information, evidence and supporting information necessary to support / justify the response. After this stage, further submission will only be at the request of the Inspector, based on the matters and issues they identify for examination.***

In your overall strategy for Hampton Hill you state:

‘Hampton Hill Residential (A4) has a high sensitivity to change, owing to the high townscape value across much of the area, the consistent building heights, suburban character and sense of green and the strategy is to conserve and enhance’. and

‘There is an opportunity to establish distinctive land marks without recourse to tall buildings’.

However Appendix 3 states St Clare (Hampton Hill) appropriate for a Height 5 Storeys.

The area around St Clare is 2&3 Storey Victorian Terrace Streets. It is inconsistent with your strategy for Hampton Hill to allow tall or mid-rise buildings in Hampton Hill.

Please continue on a separate sheet / expand box if necessary.

**7. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, when considering any legal compliance or soundness matter you have identified at 6 above.**

**Please note that non-compliance with the duty to co-operate is incapable of modification at examination.**

**You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.**

***Please note your response should provide succinctly all the information, evidence and supporting information necessary to support / justify the suggested change. After this stage, further submission will only be at the request of the Inspector, based on the matters and issues they identify for examination.***

The St Clare site development has not yet been passed by the Planning Committee.

It is wrong and unjustified to include this Appendix which goes against a very large number of local residents who feel the height of 5 storeys will not conserve or enhance the area of Hampton Hill before it has gone through the proper process of appeal

Please continue on a separate sheet / expand box if necessary.

**8. Do you consider it necessary to participate in examination hearing session(s)? (Please tick box as appropriate)**

**No**, I do not wish to participate  
In hearing session(s)

**Yes**, I wish to participate  
In hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

**9. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:**

**Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.**

Please continue on a separate sheet / expand box if necessary.
