Land adjacent to Sunnyside reservoir, Hampton TW16 5PR

Land Registry Title Plan attached

- This parcel of land does not meet the NPPF criteria to justify its current designation as Green Belt.
- This statement is without prejudice to my Judicial Review claim that this land has never been lawfully designated as Green Belt.
- It is unsound to retain the land within the Green Belt and it should be removed.

Please continue on a separate sheet / expand box if necessary.

7. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, when considering any legal compliance or soundness matter you have identified at 6 above.

Please note that non-compliance with the duty to co-operate is incapable of modification at examination.

You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Please note your response should provide succinctly all the information, evidence and supporting information necessary to support / justify the suggested change. After this stage, further submission will only be at the request of the Inspector, based on the matters and issues they identify for examination.

- The GB designation of this patch of land should be removed from the Local Plan Proposals Map
- A note should be added to Policy ENV4 that ***'The 'dog-leg' pocket of land lying between the western embankment of the 'wet' Sunnyside reservoir and the eastern extremity of Spelthorne's administrative boundary is not designated as Green Belt'***
