Dear Charlotte,

**Re: Formal request for screening opinion under Regulation 6 of The Town and Country Planning (Environmental Impact Assessment) Regulations 2017 (As Amended)**

Thank you for your email received 2 May 2025 and the accompanying EIA Screening Report as well as the additional information received on the 23 June 2025, to seek a formal EIA Screening Opinion pursuant to Regulation 6 of the Town and Country Planning (Environmental Impact Assessment) Regulations 2017, in respect of the planning application received the 2 May 2025.

I attach the Local Planning Authority's Positive Screening Opinion adopted on 30 July 2025, which concludes that the Authority considers the above development requires an Environmental Impact Assessment. In accordance with the EIA Regulations, the accompanying screening opinion provides clear and precise reasons for this conclusion.

The attached note confirms that the Authority anticipates the Environmental Impact Assessment should be limited to Transport Impacts only

Yours faithfully

**Chris Tankard  
Team Manager – Development Management (North)**
