

Local Plan Publication Consultation

From 9 June 2023 to 24 July 2023

RESPONSE FORM

The Council is inviting comments on the Publication version of the Local Plan.

The Local Plan sets out a 15-year strategic vision, objectives and the spatial strategy. The draft Plan includes place-based strategies covering the whole borough, along with accompanying site allocations, as well as the thematic planning policies that will guide future development in the borough. It will inform how growth will be accommodated across the borough. The draft Plan seeks to address future challenges including climate change, health, affordability and liveability.

This consultation is the final opportunity to comment on the Local Plan before it is submitted to the Secretary of State for independent 'examination in public'. At this stage in the plan-making process, in accordance with the national guidance, consultation responses should focus on whether the Local Plan has been developed in compliance with the relevant legal and procedural requirements, including the duty to cooperate, and with the 'soundness' of the Plan. Further detail on these concepts is provided in the accompanying guidance notes available on the website (via the link below).

Thank you for consulting the Port of London Authority (PLA) on the London Borough of Richmond Upon Thames Publication Local Plan (Regulation 19) consultation. I have now had the opportunity to review the consultation documents and can confirm the PLA has no further comments to make on the Local Plan.

It is welcomed that proposed amendments to policies 39 (Biodiversity & Geodiversity), 40 (Rivers and River Corridors) and 41 (Moorings and Floating Structures) raised as part of the regulation 18 consultation have been taken into account in the publication Local Plan, and therefore the PLA considers the Local Plan to be sound.

Please continue on a separate sheet / expand box if necessary.

7. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, when considering any legal compliance or soundness matter you have identified at 6 above.

Please note that non-compliance with the duty to co-operate is incapable of modification at examination.

You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Please note your response should provide succinctly all the information, evidence and supporting information necessary to support / justify the suggested change. After this stage, further submission will only be at the request of the Inspector, based on the matters and issues they identify for examination.

Please continue on a separate sheet / expand box if necessary.

8. Do you consider it necessary to participate in examination hearing session(s)? (Please tick box as appropriate)

No, I do not wish to participate
In hearing session(s)

Yes, I wish to participate
In hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

9. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.
